# Introduction

Hello there,

This is Orlando from InfidelityFirstAidKit.com. Thank you for subscribing to my newsletter.

Here is an eBook I originally made for another blog [RelationshipBrew.com](http://RelationshipBrew.com)

The texts I crafted are designed to work at any stage of a relationship whether you recently met or are married. Some are kinky and others simply cute and cuddly.

It can be tough to get a man's attention. Send texts with an objective in mind.

The objective of these texts is to **build up his desire to want you and give him no chance to release it** by saying "Goodnight" and then ending the conversation.

DO NOT respond to his texts after saying, "Goodnight". The anxiety he'll feel of having to wait will drive him crazy for you.

Enjoy!

Enjoy! Feel free to email me at [Orlando@InfidelityFirstAidKit.com](mailto:Orlando@InfidelityFirstAidKit.com)
